CSM77/17/18 – TO DISCUSS THE GENERAL MAINTENANCE OF HEDGES AND GRASSLANDS AROUND THE VILLAGE HALL.

Cllr Haynes informed Members that the Parish Council was responsible for the maintenance of hedges and grass around the village hall. A volunteer who had kept all the vegetation neat and tidy had decided to stop volunteering and so a new plan was needed to keep the maintenance going. She explained that she had been in touch with ‘Community Payback’, who helped maintain the churchyard, and they had agreed that it would be something they could help with provided it was a full day’s work. The workers would be supervised, they used manual tools and would need access to the toilets. Cllr Smart stated that the church funded the fuel for the strimmers but no labour was charged for.

It was AGREED: That the Clerk liaise with Pauline McGlynn at Community Payback to arrange a date for the works to be carried out and ascertain how many workers there would be.

CSM78/17/18 – TO DISCUSS THE PUBLIC RIGHT OF WAY ALONGSIDE THE VILLAGE HALL

The Clerk confirmed that the original Planning Application for Blacksmiths Field stated that public access to the field was through the Car Park. The strip of grass alongside the Village Hall was an emergency route for emergency vehicles at times such as Firework Night.

Cllr Scully stated that there used to be a fence at the road end of the grassed strip but that had since fallen down and had been replaced with part fencing that pedestrians could walk round.

It was NOTED: That the right of access for pedestrians to Blacksmiths Field was through the car park but was acknowledged that people still might use the grassed strip alongside the Village Hall as a short cut.

CSM79/17/18 – TO DISCUSS THE ISSUE WITH LORRIES FROM THE POUNDFIELD SITE DRIVING THROUGH THE VILLAGE

The Clerk reported that she had still not heard from Poundfields as to their lorries driving through the village, but she would report it to members once she had heard.

Village Hall – Cllr Smart reported that there had been complaints about the pictures on the wall that the Nursery put up. People enquiring about hiring the hall did not like them being on show. New cupboards had now been put on the walls for the pictures so they can be viewed when opened and put away when the cupboards were shut.

He also reported that the sound proofing work had been put on hold until Christmas and there had been problems with people hiring the hall, leaving their rubbish behind.

Sustainability – Cllr Craggs had nothing to report.
CSM81/17/18 - UPDATE ON THE NEW BENCH FOR ALL SAINTS ROAD / JACKS GREENS ROAD

The Clerk reported that the bench had been delivered and would be installed sometime over the weekend.

CSM81/17/18 – TO RECEIVE AN UPDATE OF THE ANTIQUE MAP OF THE VILLAGE

Cllr Scully reported that the map had been digitalised with copies put onto CDs for those people interested in purchasing one. The map, once on a computer was a good image and covered a large area including Needham Market High Street. The map could be manipulated in order to view a certain section of the map and being able to enlarge that section.

A History Evening/Day had been organized on Saturday, 14th October / Sunday, 15th October where there would be a Wine and Cheese Evening where the map would be in display and then again on display the following day along with other historical information. Articles about the event would be included in various local magazines.
