H Craggs

In Attendance: J Blackburn – Clerk
5 Members of the public

CSM006/19/20 - Apologies

Apologies had been received from Cllr Barker.

CSM007/19/20 - Declarations of Pecuniary/Non-Pecuniary Interest

Cllr Craggs declared an interest in item 4 on the Agenda.

CSM008/19/20 - Applications for Dispensations

None had been received.

CSM009/19/20 - Planning Applications

Ref: DC/19/01829 - Outline Planning Application (some matters reserved) - Erection of 1no. detached dwelling and vehicular access (re-submission of refused application DC/19/00077) - Land East of Highfield, All Saints Road, Creting St Mary, IP6 8NG

Members noted that the previous application for this applicant was refused on the access. They expressed their continued concern that the additional traffic the extra dwelling would produce, on a dangerous bend in the road, remained an issue as it would result in poor visibility.

It was also noted that the current public footpath was part of an application to be diverted.

It was AGREED: That the Parish Council object to the application. **Clerk to action.**

CSM010/19/20 – Highway Safety at Intersection of Coddendam Road and Flordon Road

Concerns were expressed by members of the public and Parish Councillors following a recent fatal collision at this junction. Concerns included the current signage and how they blocked the view of passing motorists and also where the 30mph currently was in relation to the junction.

It was AGREED: That this be put onto the next Agenda when the District Councillors were present in order to take this forward to Highways as to what could be done to ensure the junction was made safer.

The meeting finished at 8.40pm.
